

6th Grade

Immigration & Westward Movement

We have begun to discuss the reasons why people chose to come to America. Once they made their journey across the sea then some of them continued their quest Westward in search of more opportunities.

Social Studies—Mrs. Haskins

World War II

We will be completing our unit in about a week.

8th Grade

Cause & Effect Project

Write a 4 paragraph essay (Introduction, Cause, Effect, and Conclusion) about the exploration and the colonization of new lands. Remember to cite examples and support your statements. You need to create or find a map that shows the effects of exploration on the colonization of new lands. You will need a cover page, essay, map, and bibliography for the final project..
