

*Dear Parents:*

*We continue to make good progress in Spanish class, and I am writing to update you on our activities. We are now set to begin Unidad 7, Lecciones 1 and 2. Unidad 7 explores Argentina and its traditions, places, situations and people. The lessons' varied activities are aimed at developing students' Spanish speaking abilities as well as their listening, reading, and speaking skills.*

*Unidad 7 will give students new vocabulary as well as grammatical structures with which to express themselves. They will also further their cultural literacy, this time with knowledge of Argentina.*

*The topics covered in Lecciones 1 and 2 are technology, phone etiquette, places of interest, invitations, and talking about past events. Our class will learn how to use pronouns after prepositions and the preterite tense of regular -er and -ir verbs, as well as the preterite of the verbs *ir* (to go), *ser* (to be), and *hacer* (to do).*

*Thank you for your continued interest and involvement in your child's academic progress. Please let me know if you have any questions or concerns as your student learns how to communicate in Spanish.*

*Sincerely,*

*Mrs. Abad*
