Supply information:

- Students are responsible for bringing all materials (including writing utensils) to class. Students should bring their pencil pouch to every class to ensure they are prepared for classwork.
- Students notebooks/materials need to fit in their lockers to ensure the safety of students walking through the hallway.
 - To save space we suggest using a locker shelf to maximize the space to fit their materials. We do not suggest any elaborate locker decorations (such as carpets or lights) as they take up vital space and can be distracting to students during their transition time.
- All backpacks/personal items should be able to fit into their lockers.
 - ****This does not include a change of clothes for afterschool sport activities**
